

## Australian biosecurity webinar series: Avian Influenza in Victoria

On 29<sup>th</sup> November the Commonwealth Department for Agriculture Water and the Environment (DAWE) hosted the sixth in a series of biosecurity-focused webinars, which included some interesting observations from Victoria's Chief Veterinary Officer, Dr Graeme Crooke, on the management of the H7N7 outbreak at Lethbridge last year.

### Avian Influenza – Carried by Wild Birds

The webinar can now be viewed and a transcript downloaded from the DAWE website.

Dr Crooke's segment starts at about 15 minutes in and runs for around 13 minutes. Click [here](#).

## AgriFutures Horizon Scholarship programme

In partnership with industry sponsors, the AgriFutures Horizon Scholarship is an initiative supporting students enrolled in full time study at an Australian university by providing:

- A bursary of \$5000 per year for the final two years of your degree
- Professional development workshops
- Annual industry work placements aligned with the scholar's areas of interest and their sponsor's industry
- Opportunities to network and gain knowledge at a range of industry events.

Suitable degrees include, but are not limited to:

- Agricultural Science
- Rural Science
- Livestock/Animal Science
- Food Security
- Science, Technology, Engineering or Maths (STEM) with major studies and subject selections relevant to, and aligned with, agriculture
- Veterinary Science
- Agribusiness
- Plant Science
- Agricultural Economics
- Resource Management
- Sustainability
